Full-Stack web developer with a strong background in Audio engineering, design, and customer support. Strengths in communication, teamwork, and problem-solving. With a Full-Stack development Certificate from Georgia Tech's boot camp, I am looking to create robust and interactive user experiences, learn new technologies, and immerse myself in the tech world. Fluent in Spanish.

Technical Skills

- HTML | CSS | JavaScript | JQuery | React.js | Node.js | MySQL | MongoDB | AWS cognito | S3 Bucket | Amplify CLI | Photoshop | Adobe Illustrator

Projects

StateSide - <https://tinyurl.com/yxqfvrba>

- A travel application where users can add information about that trip and, upon completion, users may view a memory of their experience.
- This is a MERN application using MongoDB, Express, React, and Node.js as well as Moment.js, material UI, AWS Cognito for user authentication, and Amplify CLI.

Client Contact Tracker - <https://tinyurl.com/y2oo3e8t>

- An application that tracks the contact points made by employees of an organization. It allows the user to create new contacts, keep track of existing contacts, and stale inactive contacts.
- This application was created using HTML, CSS, JavaScript, Node.js, Express, MySQL, and Sequelize. View code here: <https://tinyurl.com/yx8sk5ut>

Covid-19 Testing Center Locator - <https://tinyurl.com/y624r557>

- The COVID-19 Testing Center Locator is an interactive application where users can find nearby COVID-19 testing centers and receive the latest relevant news articles, CDC updates, as well as state and national statistics.
- This application was created using HTML, CSS, JavaScript, JQuery, GNews API, and Google Maps API. View code here: <https://tinyurl.com/yxl8wm7u>

Work Experience

Assistant Librarian for Gwinnett County Public Library System

09/19 - Current

- Created marketing materials for events.
- Set up successful programs for the community on topics like job searching and social media marketing.
- Put together training videos for staff during our switch to virtual programming.

Customer Service Rep for Spectrum Services

06/16 - 04/19

- One of the top performers in the office.
- Created a system to make our workflow faster.

Education

Georgia Institute of Technology, Atlanta, GA

06/20 - 11/20
